Coaching Ethics

The River City Youth Soccer League has adopted a policy of sportsmanship for players, coaches, and parents. The policy & rules will be strictly enforced by the River City sportsmanship Committee.

All Coaches must abide by the following:

- Prohibit foul play and unsporting conduct by him/herself, players, coaching staff and spectators.
- Prohibit abuse by Coaching staff, player, opposite sidelines or spectators. Abuse includes verbal, mental, or physical abuse towards the referees, players, or spectators before, during game or after the game.
- Prohibit swearing or other verbal abuse by the coaching staff towards referees, players or opposite sidelines. Abuse will result in an automatic hearing with the PAD or Sportsmanship Committee and a possible minimum two game suspension.
- Treat referees with the respect they would expect others to give you. Referees are there to make a fair, safe game for the players. They are on your side. Remember -Without referees, there would be no game.
- Coaches will control those on their sidelines -- including players and anyone affiliated with the team.
- Enter the field only with referee permission.
- Any coach who is "sent off" (ejected from a game) will receive an automatic minimum three game suspension.
- If you are aware that a player is registered on more than one team, you must advise your club Registrar immediately. Otherwise, you maybe subject to suspension.
- Abide by Club and League policies, procedures, and bylaws.

All coaches will receive a signed copy of these Ethics for their records. The original of this form will be kept with the Club.

I understand and will abide by these coaching ethics.
