

VOLUNTEER FORM

The Arden Park Soccer Club provides a recreational youth soccer program for girls and boys ranging in age from 5 to 18 years old. The club is organized and run by a small group of volunteers, many of whom are the parents of our players.

More than 674 players registered to participate in our 2009 season. We fielded 54 teams that participated in the recreational level of play within the River City Youth Soccer League.

We are fortunate to have some parents step forward each year to help. We are thankful to the volunteers that have served as board members and to the parents that are coaches. Unfortunately, there still is much work to be completed in order for Arden Park Soccer to successfully operate.

The children in our community depend on all parents to ensure that a quality program continues to exist.

*****This year it mandatory that a family signs up for one or more of the following jobs to be completed. (list 3 jobs in order of preference)*****

_____ **Registration Assistance**

_____ **Field Maintenance Days.** This job involves assisting in aerating, fertilizing, marking, and grooming the fields for the upcoming season.

_____ **Field Managers.** The field managers are responsible for the weekly condition of the specific field that has been assigned to them. They will report any problems that may arise during the season to ensure the safety of all players. (more than one person can be a field manger for the same location) (please specify which field you would like to be assigned.) (Arden Middle School, Valley Oak Park, Cresta Park, or Mariemont field(s) 1, 2, or 3)

_____ **Team Parent.** Helps the coach with the teams snacks schedule, picture day and end of season party (ordering trophies, coaches gift and plan party, etc).
